This is the Greatest Parish in the World

Monsignor Arthur Nugent, Founding Pastor

I have already been impressed by the vitality of your parish. I am aware of your excellent Catholic grade school, and your program of Religious Education. . . . you got a great thing going here at St. Elizabeth Ann Seton Parish. It's no wonder you love your parish so much and are so proud of it, and this unity, vitality, and faith are so visible to me tonight at this Mass in this beautiful church.
